Dear Faculty Member:

The Eastern Washington Section of the American Nuclear Society would like to enlist your support in making available the opportunity for students in applied nuclear science or a related field to apply for a one year \$1000 scholarship. Applicants must have completed a minimum of two years in an accredited undergraduate program by June 2016 and be enrolled full-time in a four-year college or university in the U.S. In addition, graduate students in their first or second year of graduate study are eligible to apply. Applicants must be planning a career in nuclear science, nuclear engineering or a nuclear-related field.

Attached to this email: a scholarship application copies of which you may provide to candidates.

The application deadline is April 30, 2016. Our section expects to make the decisions regarding recipients by August 15, 2016 and notify the applicants the following week. Checks will be issued to the students in the fall 2016 semester, providing that enrollment in fall 2016 classes is verified.

If you have questions, please feel free to contact me at by email at [ans.ews.scholarship@gmail.com](mailto:ans.ews.scholarship@gmail.com).

Please feel free to pass this on to your colleagues at other universities and colleges. Note that the EWS-ANS chapter scholarships for the most part, are restricted to schools in Washington, Idaho and Oregon, exceptions will be considered on a case by case basis.

Sincerely,
